

TIMOTHY A. MUZZIE

213 HOLLOW ROAD

WINDBER, PA 15963-3620

CELL: (814) 242-5659 • HOME: (814) 467-4426 • *timothy@floodcity.net*

OBJECTIVE To find a position with the opportunity for advancement and growth in an industry that interests me.

SUMMARY OF QUALIFICATIONS Earned IPC-A-610C Class 3 Certification for soldering through-hole and Surface Mount Technology (SMT) components for single-sided, double-sided, and multilayered circuit boards. Proficient with use of soldering iron and hand tools under 10x magnification, solder suckers, digital volt-ohm meter, oscilloscope, wire crimpers, wiring diagrams, and circuit board schematics. Able to operate programmable logic controllers (PLC-2 and PLC-5). Available for work now.

Have been racing motocross competitively as an American Motorcyclist Association (AMA) member for 6 years.

SUMMARY OF EXPERIENCE Precision assembled military-grade circuitry to Class 3 specifications, using various mechanical and soldering skills. Performed rigorous troubleshooting to detect malfunctioning equipment. Replaced defective components and wiring so that they conform to customer documentation and drawings and/or IPC-A-610C Class 3 standards.

Managed team of five circuit technicians. Assembled components and boards for clients, including Lockheed Martin, Raytheon, Lazer, Comsat, Condor, Litton Pic, Moog, Litton San Diego, Second Generation, Vertex, and the US Navy.

Took first place at regional VICA competition for product servicing in 1994.

WORK HISTORY

- Lead Circuit Technician, Circuit Card Division, Kuchera Defense Systems, Windber, PA, 1998-present.
- Merchandiser, Sales Division, Pepsi Cola Bottling Company, Johnstown, PA, 1997-98.

EDUCATION

- Greater Johnstown Area Career and Technology Center, Johnstown, PA, Certificate, Post-Secondary Electronics Program, 1996-97.
- Greater Johnstown Area Vocational Technical School, Johnstown, PA, Diploma, Electronics Engineering Technology Program, 1992-95.
- Windber Area High School, Windber, PA, 1988-92.
